Subject: Resignation Letter

Dear Sir,

Please accept this letter as formal notice of my resignation from my position as Python Developer at Krypton Technologies.

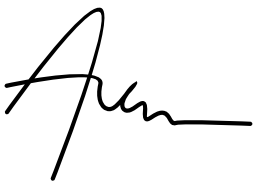

I am grateful for the opportunities for growth and development that I have experienced during my time at Krypton Technologies. However, after careful consideration, I have decided to pursue a new opportunity that aligns more closely with my long-term career goals.

I am committed to ensuring a smooth transition during my remaining time with the company. I will complete all outstanding tasks and offer assistance in training my replacement, as required.

I want to express my appreciation for the support and guidance I have received from my colleagues and management team. It has been a pleasure working with such talented individuals.

Thank you for the opportunities provided to me during my tenure at Krypton Technologies. I look forward to assisting with the transition and wish the company continued success in the future.

Best wishes,
